OR DEN

☐

TREE
BARK

☐

ANIMAL OR
FUR/FEATHER

☐

MUSHROOM
/ FUNGI

*"The beauty of the natural world
lies in the details."*

Natalie Angier

RULES

- Take your time and have fun.
- Practice your observation skills - notice the way things look, sound, feel and smell.
- Go with an adult or a buddy and permission.
- Never eat anything you find unless the adult you're with gives it to you. Don't touch plants unless you know what they are. Never approach wild animals.
- Leave not a trace and take not a trace.
